Dear Will

RE: INVESTMENT PLANNING FOR BRIDPORT

The Bridport News on 25th August carried an announcement on page 4 about investment planning activities run by Bridport Town Council for local businesses.

The coming expansion of Bridport, and the relevance of projects under BANP for Health Checks (No.2), climate change (No.4) and access and movement (No 11) means businesses in surrounding parishes will have an interest in investment planning in Bridport, and that the term 'local' needs to be modified to reflect this.

I appreciate that the Chamber of Trade has 70 members spread widely throughout the hinterland, but there are many businesses that are not members in neighbouring parishes. Would it be possible to promote these activities more widely?

With best regards,

Cllr A J Basker
