Dear Resident

RE: RUBBLE AND WEEDS

We have received a complaint regarding the rubble and weeds along the boundary of your property. The complainant has said that the weeds are growing through the rubble and into the pavement making the surface slippery.

We take all complaints seriously. However this particular complaint refers to a potential safety hazard and we are sure that you would not want an accident to occur outside your property. To avoid any potential slip hazard or accident we would be very grateful if you could clear the rubble away from the pavement edge and deal with the weeds that are encroaching onto the pavement.

Yours sincerely

Cllr A J Basker
