

Bothenhampton & Walditch
Parish Council since 1886

Mr M Hallam
PlayQuest

Via email

17th April 2020

Dear Mr Hallam

RE: LOWER WALDITCH PLAY AREA

I refer to your email to the Clerk of 15th April 2020 and your request for 50% of the deposit to arrange an installation date. I am afraid that with no fixed date for when the work can commence and, in the knowledge that the situation might not change for some time; as a public body we do not feel we can release Parish Council funds with such uncertainty.

My concern relates to possible business failure by PlayQuest as a result of the current economic disruption: if we irresponsibly lost our deposit, as a public body, we would be accountable to our residents.

Once the work situation is clear and you can confirm you are commencing site work again and can give a tentative date for the installation, we will be happy to review this situation.

Yours sincerely

A J Basker
Chairman
