19<sup>th</sup> September 2021

Dear James

#### PROVISIONAL TPO – LAND SOUTH OF ASKER MEAD

We were delighted to receive the provisional TPO for the Beech and the London Plane, we hope that nothing prevents the TPO from being issued in full, thus ensuring that the trees can be protected.

We are very keen within the Parish Council to protect the natural environment and take every opportunity to plant more trees; you may know that we have recently planted 30 trees at Slades Green in Bothenhampton.

May we enquire again as to whether you are able to bring an end to the long outstanding tree replacement programme that has been ongoing for many years along the Sycamore Avenue in Walditch. As you know, the previous Tree Officer, Mr Chris Lloyd served a TRO Tree Replacement Order in March 2020 we are very hopeful that you will be able to issue an enforcement order to ensure the landowner acts.

On behalf of all parish councillors we thank you for the work you have done within our area and ask that you contact us if we can be of any assistance in furthering the health and wellbeing of our beautiful trees and natural environment.

We hope to see you at the Hyde at 3pm on 26<sup>th</sup> September for the end of Green Week.

Yours sincerely,

A J Basker  
Chairman - Bothenhampton & Walditch Parish Council
